Article Numbers: 713560, 713558, 713556, 713555, 713554, 713553, 713551, 710904

Safety Instructions:

- Choking hazard due to improper use or small parts. Not suitable for children under 3 years of age.
- Risk of injury due to improper use or impact on hard surfaces, only use the tool as intended.
- Wear safety goggles and gloves to avoid eye and hand injuries. Read the safety instructions and operating instructions before use.
- Only suitable for the intended use. Do not use as a lever, throwing device or for applications other than those intended.
- Wear safe work clothing to avoid injury from flying parts.
- Ensure that the hammer heads and handle are checked regularly. Do not use the hammer if the hickory handle or the plastic attachments are damaged.
- Keep the hammer out of the reach of children and avoid the danger zone when working overhead.
- Store tools in a dry and safe place to avoid accidents.
