Safety Instructions:

- Check the product for damage before use.
- Ensure that the handle is dry and clean to prevent slipping.
- To avoid damage, do not strike the product against hard surfaces.
- Handle with care during transport and storage to avoid damage.
- Keep out of the reach of children as it is a tool.
- Risk of suffocation and injury due to improper use of the tool.
- Safety equipment (e.g. safety goggles, gloves) recommended.
- Do not use the product in insufficient light.
- Take care when using near sensitive surfaces.
- Ensure safe stability to avoid the risk of tipping over.
- Use only for the intended purpose.
- Do not use in a damp environment to minimise the risk of corrosion.
