Safety Instructions:

- Only use the appliance for its intended purpose and in accordance with the manufacturer's instructions.
- Wear suitable protective equipment, including gloves and safety goggles, to avoid injury.
- Ensure that the appliance is never used near water or damp areas to minimise the risk of electric shock.
- Ensure that the appliance is checked for damage before each use. Do not use it if it is damaged.
- Keep children and unauthorised persons away while the appliance is in operation.
- Avoid improper handling, as this can lead to injuries.
- The appliance should only be used by persons who are familiar with the operation of machines.
