Safety Instructions:

- Caution: Sharp edges can cause injuries. Wear protective gloves and safety goggles to avoid injury.
- Use only by adults or under adult supervision. Not suitable for use by children.
- Keep the product out of the reach of children, as sharp edges and small parts pose a choking hazard.
- Ensure that the product is regularly checked for damage and replaced if necessary.
- Only use the file for its intended purpose. Improper use can lead to injuries.
- Keep the work area clean and free of unnecessary objects to prevent tripping accidents.
- Only file on solid surfaces and ensure that the workpiece is securely fixed.
- Do not subject the file to excessive forces to avoid breakage.
- Use face protection to prevent eye injuries from metal chips.
- Avoid contact with the sharp edges during use.
