Article Numbers: 700523, 700522, 700521, 700519

Safety Instructions:

- Risk of injury due to improper use. Only use in accordance with the instructions and in compliance with the safety precautions.
- Do not exceed the maximum speed: 12200 min⁻¹ and 13300 min⁻¹. Overheating and damage are indicated at both speeds.
- Wear safety goggles, protective gloves and hearing protection to avoid injury from flying sparks, dust or splinters.
- Keep the product out of the reach of children.
- Use suitable personal protective equipment (PPE), such as gloves and respiratory protection.
- Ensure that the grinding attachment is correctly fitted to prevent it from coming loose during operation.
- Keep the working environment clean and well lit to avoid tripping hazards and injuries.
- Avoid using the product in hazardous gas or dust environments.
- Do not use in conjunction with flammable materials or liquids.
- The bore used (22.23 mm Ø) must be compatible with the machine mount.
- Only use for the intended materials (stainless steel, steel, aluminium).
