Article Numbers: 721552, 721551, 721550, 721549, 721548, 721546

Safety Instructions:

- Not suitable for children under 3 years, contains sharp edges. Always keep the product out of the reach of children and do not use or store near children.
- Wear safety goggles at all times during use to avoid injury from fine dust, metal shavings, broken parts or other debris.
- Take care to avoid cuts during use and keep fingers away from the cutting edge.
- Do not use the product near water or in damp conditions and always store in a dry environment to avoid corrosion.
- Before using the file, ensure that the workpieces are firmly clamped and only use the file for the intended materials and purpose to avoid damage or injury.
- Do not use the file in areas with high humidity or near flammable materials in order to minimise the risk of corrosion and fire hazard.
- Use suitable personal protective equipment, such as gloves, to avoid cuts and scratches.
- Always guide the file towards the body to reduce the risk of injury and do not overload the file to prevent it from breaking or snapping.
- Store the file safely after use to avoid accidents.
- All use must be in accordance with the manufacturer's instructions.
