Safety Instructions:

- Not suitable for children under 3 years, as small parts may be included.
- Wear safety goggles during use to avoid eye injuries.
- Always check products for damage before use.
- Never use or store tools in the vicinity of children.
- Avoid improper handling, as the product can break or cause injuries from sharp edges if used incorrectly.
- Apply little pressure during use to avoid injury and damage.
- Only use products in well-ventilated areas to minimise exposure to dust or other particles.
- Clean tools regularly to ensure optimum performance and safety.
- Take care when filing hard metal materials - wear suitable protective equipment.
- After use, remove sharp edges with a suitable tool to avoid injury.
