Safety Instructions:

- Wear safety goggles and hearing protection to protect eyes from fly ash, loose particles and hearing damage caused by high noise levels.
- Ensure that the brush is mounted on a suitable machine that does not exceed the maximum speed of 12500 min⁻¹, as high speeds are dangerous.
- Do not use in the vicinity of flammable materials and keep a safe distance from them to avoid the risk of fire.
- Use appropriate personal protective equipment (PPE), including gloves and dust mask, to avoid skin and respiratory tract irritation.
- Never touch the brush during operation and do not use it on the skin or body.
- Avoid contact with sharp edges or corners during use.
