Article Numbers: 721971, 721970, 721969, 721967

Safety Instructions:

- Caution: The product can cause injury if handled incorrectly. Ensure that the product is operated on a stable, level surface to avoid accidents.
- Do not exceed the maximum speed of 20,000 min⁻¹ to avoid the risk of damage or accidents. Check the maximum speed before operation to avoid overloading.
- Do not leave in the hands of children. Dangerous for children due to small parts and risk of injury.
- If the product is damaged, stop using it immediately. Ensure that the tool is in good condition before each use.
- Please wear safety goggles and gloves to avoid injury. Use safety goggles to protect your eyes from dust and sparks. Use gloves to protect your hands from abrasive materials.
- Read the operating instructions before use.
- Keep the surrounding area free of flammable materials while working with the product.
- Never leave the product unattended while it is in operation.
- Wear hearing protection to protect your hearing from noise exposure.
