Article Numbers: 700757, 700756, 700755, 700754

Safety Instructions:

- Use suitable personal protective equipment such as safety goggles and hearing protection when operating the cutting disc.
- Before use, check the maximum speed of the cutting disc (e.g. 6600 min⁻¹, 8500 min⁻¹, 12200 min⁻¹, 13300 min⁻¹) and do not use it above this speed.
- Ensure that the cutting disc is fitted correctly to prevent breakage.
- Keep the work area free of distractions and uninvolved persons.
- Check the cutting disc regularly for cracks and wear and stop using it if it is damaged.
- Avoid overloading the cutting disc to prevent overheating or breakage.
- Only use materials and applications that are suitable for the product, especially when working with metal.
- Read and observe the product manual before use.
