Article Numbers: 701165, 701164, 700763, 700762, 700761, 700760

Safety Instructions:

- Use of eye protection recommended to avoid eye injuries from splinters.
- Do not point directly at yourself or other persons, risk of injury.
- Do not exceed the maximum speed: Variants - 6600 min⁻¹, 8500 min⁻¹, 12200 min⁻¹, 13300 min⁻¹.
- Wear suitable personal protective equipment, e.g. safety goggles and hearing protection to protect eyes and ears from dust and noise.
- Only use with suitable tools to avoid accidents.
- High speed can lead to injuries, use appropriate protective equipment.
- Avoid contact with the sanding surface to prevent skin injuries.
- Beware of dust formation during sanding, wear a protective mask.
- There is a risk of injury from falling parts or sparks if the appliance is used incorrectly.
- Observe the cutting direction to avoid kickbacks.
- Regularly inspect the grinding disc for cracks or wear before use to prevent material failure.
- Use only for the intended metalworking application to minimise safety risks.
- Ensure correct installation and safe handling of the disc.
