Safety Instructions:

- Caution: Sharp edges can cause injury.
- Do not use or store near open flames or hot surfaces as steel wool is flammable.
- Remove the steel wool immediately after use and store it in a safe place.
- Use only in well ventilated areas to avoid inhalation of particles.
- Must not be used by children without supervision. Not suitable for children under 3 years of age, choking hazard due to small parts.
- Make sure that steel wool does not come into contact with sensitive surfaces, as it can cause scratches.
- Avoid direct skin contact with the steel wool to prevent skin irritation. Wear suitable protective gloves and safety goggles.
- Do not eat the steel wool as it can be harmful to your health.
- Keep steel wool away from moisture to prevent rust.
- Only use the steel wool on the specified surfaces (wood, glass, stone, metal) to avoid damage.
