Article Numbers: 700860, 700859, 700858, 700856

Safety Instructions:

- Wear suitable respiratory masks, as dust can be harmful to health.
- Risk of injury from cuts and abrasion. Wear protective gloves and safety goggles.
- Use only for the intended application. Not suitable for other applications.
- Keep the product out of the reach of children.
- Ensure suitable personal protective equipment (e.g. safety goggles, hearing protection).
- Ensure that the sanding belt does not overheat to avoid the risk of fire.
- Keep the working environment clean and free of flammable materials and deposits.
- Avoid contact with wet hands or wet surfaces during operation.
- Protect the product from moisture and extreme temperatures.
- Use only with suitable protective equipment, in particular safety goggles and a dust mask.
- Do not use for applications with liquids, as the product is designed for use in dry processing.
- Do not use in the vicinity of flammable materials.
- For use by trained personnel only.
- Wear suitable protective gloves during use to avoid skin injuries.
- Avoid contact with skin and eyes. In case of contact, rinse thoroughly with water and consult a doctor.
- Do not use this product if it is damaged or worn.
