## Backing pad Scotch Brite™ DH-AC D.125mm M14 adhesive 3M

**Manufacturer/Responsible Person:** 3M Deutschland GmbH, Carl-Schurz-Str. 1, 41460 Neuss, Deutschland

**E-Mail:** innovation.de@mmm.com

Please note the technical data of the products!

**Article Numbers:** 722977, 722960, 722933, 722484, 722483

### Safety Instructions:

- Only use the product with suitable grinding and polishing agents to avoid electrical and mechanical risks.
- Be aware of the risk of injury from rotating parts. Wear safety goggles and hearing protection during use, especially when using the support disc and when grinding.
- Keep the work area clean and free of obstacles to avoid the risk of falling and accidents.
- Avoid contact with water or other liquids to reduce the risk of electric shocks.
- Ensure that the support disc is firmly and securely attached to the machine to prevent it from slipping during use.
- The product may only be used in accordance with the instructions and recommendations provided.
- Observe the maximum speed of the support disc and ensure the mains voltage if electrical devices are used.
- Do not use the product in the vicinity of flammable materials.
- The workpiece must be sufficiently fixed to prevent injuries.
- Ensure that the product is installed correctly and securely to prevent accidents.
- In the event of damage, stop using the product and contact the manufacturer.
- Keep children away from the product. Not suitable for children under 3 years of age due to the risk of choking on small parts.
- Before use, ensure that the installation has been carried out correctly to avoid injury.
- Use personal protective equipment such as gloves, safety goggles and respiratory protection to avoid injury.
