Safety Instructions:

- High removal rates can lead to rapid wear of the sanding belt.
- Use suitable personal protective equipment such as safety goggles, hearing protection and respiratory protection to protect yourself from dust, splinters and noise pollution.
- Avoid using the product on unsuitable materials, especially flammable or chemically reactive materials.
- Follow the manufacturer's instructions for safe handling and storage of the sanding belt.
- Keep the product out of the reach of children to prevent injury from improper use.
- Wash hands after use to avoid skin irritation.
- Avoid inhalation of sanding dust.
- Protective measures such as ensuring that the machine is correctly installed and maintained to minimise safety risks.
- Follow the operating instructions for safe use of the sanding belt.
