Safety Instructions:

- Avoid direct skin contact with the product; wear suitable protective gloves to prevent skin irritation.
- Wear safety goggles to protect your eyes from sanding dust, flying sparks and flying particles.
- Use suitable respirators to prevent inhalation of sanding dust and particles.
- Do not use the product in the vicinity of naked flames or ignition sources, as flying sparks may occur.
- Only use the product in well-ventilated areas to minimise exposure to dust and chemicals.
- Follow the manufacturer's instructions for safe use and disposal of the product.
- Ensure that the sanding belt is correctly clamped and installed to prevent accidents or slipping.
- Keep the workplace clear of other people during operation to avoid injuries.
- Do not use above the recommended speeds to avoid breakage or excessive wear.
- Do not use the product near flammable materials or in a damp environment.
- Keep the product out of the reach of children.
- Keep the workplace well ventilated to avoid dust accumulation.
- Read the user documentation and safety instructions carefully before use.
