Please note the technical data of the products!

Article Numbers: 722981, 722980, 722978

Safety Instructions:

- Risk of injury to fingers due to the rotation of the brush. Keep hair and loose clothing away from the brush during operation.
- Dust formation during use, wear a protective mask if necessary.
- Use visual and hearing protection when using in noisy environments.
- The use of protective shields or goggles is recommended to avoid eye injuries from falling particles. To avoid injury, only use the radial brush with suitable personal protective equipment (e.g. safety goggles, gloves).
- Do not exceed the maximum speed of 6000 rpm in order to avoid overheating and possible damage or material failure.
- The brush disc should only be used by trained personnel in order to minimise risks during handling and use.
- To avoid a safety risk, do not use the brush for applications for which it is not intended.
