Safety Instructions:

- Caution: Dust can be harmful to health. Wear protective equipment such as safety goggles and a respirator to protect your eyes and respiratory tract.
- Take appropriate safety precautions to avoid skin contact; wear protective gloves.
- To avoid the risk of fire, do not place the abrasive and abrasive belt near naked flames, heat sources or flammable materials.
- Use only on suitable machines in accordance with the manufacturer's instructions and in compliance with safety regulations to avoid injury.
- Before use, ensure that the sanding belt is correctly fitted and tensioned to prevent it from slipping and causing injury.
- Do not work in the vicinity of flammable materials as sparks may occur. Wear suitable protective clothing.
- Store the product safely and keep it away from children and untrained persons, as small parts can pose a choking hazard.
- Only use for the intended materials. Use only in accordance with the manufacturer's instructions and observe the safety precautions.
- Not suitable for children under 3 years. Contains small parts that may pose a choking hazard.
- If handled improperly, the product can produce steel or metal shavings that can injure eyes and skin. Wear suitable safety goggles and gloves.
- Keep the working environment clean to minimise the risk of falling accidents.
- Read the machine and operating instructions carefully before use.
- Avoid risk of suffocation and injury due to improper use of the abrasives.
- Take care when storing overheated or damaged sanding belts to avoid the risk of fire.
- Do not use with wet hands or in a damp environment to avoid electrical accidents.
- Please follow the instructions for the disposal of waste materials. Dispose of in accordance with the applicable regulations for industrial waste.
