Safety Instructions:

- Use of suitable protective equipment (e.g. gloves, goggles, respirator) required to avoid skin and eye contact and to protect the respiratory tract.
- Do not use near open flames, heat sources or flammable materials to prevent fire hazards.
- Carefully read and observe the operating instructions and safety instructions before use.
- Only use the product for its intended purpose and do not use it for other applications. There is a risk of injury if used improperly.
- Keep the product away from children and only use under adult supervision, as small parts can pose a choking hazard.
- In case of contact with hair, rinse thoroughly with water and seek medical advice if necessary.
- Mount the sanding belt correctly and securely and do not use it at excessive speed to avoid overheating.
- Avoid use in damp or wet environments to prevent electrical hazards.
- Only sand in well-ventilated areas, as dust can be harmful to health.
- Dispose of properly after use to avoid environmental risks.
