Safety Instructions:

- Use of safety goggles recommended to avoid eye injuries from sparks, dust and particles.
- Do not use near flammable or ignition sources to minimise the risk of fire.
- Keep out of the reach of children, as small parts may pose a choking hazard.
- Wear protective footwear to reduce the risk of foot injuries when working with sharp-edged materials.
- Caution: There is a risk of injury from sharp edges and splinters when using the abrasive cloth and abrupt movements.
- Avoid sanding damp or wet surfaces to prevent electrical hazards caused by water.
- Protective gloves recommended to prevent skin injuries. Avoid skin contact during use and rinse thoroughly after contact.
- Do not use for food processing or other unintended applications.
- Ensure that the surface is stable before use. Improper application can lead to injuries.
- Risk of suffocation due to dust formation during sanding; use suitable respiratory protection to avoid respiratory diseases.
- Use in closed rooms without adequate ventilation can pose health risks.
- Do not exceed the maximum speed of the product and use only for suitable materials.
- Caution: Beware of sharp edges and heat build-up before use to avoid injury.
- Respiratory masks must be used if dust formation can irritate the respiratory tract.
- Not suitable for applications with liquids or in damp environments.
- Wear suitable safety goggles and a respirator to protect eyes and respiratory tract.
- Keep out of reach of children.
- It should only be used in accordance with the manufacturer's instructions and recommendations.
