Article Numbers: 723135, 723134, 723133, 723132, 723131, 723129, 723128, 723127, 723126, 723125, 723124, 723122, 723121, 723120, 723119, 723118, 723117, 723116, 723114, 723113, 723112, 723111, 723110, 723109, 723107

Safety Instructions:

- Wear safety goggles and a respirator to protect your eyes and airways when sanding.
- Use suitable protective equipment such as gloves, safety goggles and hearing protection during work to avoid injury.
- Keep the product out of the reach of children to minimise the risk of injury.
- Always follow the manufacturer's instructions and the operating instructions for safe use of the product.
- Check the product and the machines for damage or functionality before use.
- Avoid contact with flammable materials and ignition sources, as sparks or dust can be flammable.
- Ensure that the work area is well ventilated to minimise the inhalation of dust.
- Caution: Improper use can lead to injuries or health risks; take appropriate safety measures.
- To preserve the quality of the product, do not store in a humid environment or in excessive heat.
- Do not operate the castor above the recommended maximum speed.
- Before use, ensure that the workpiece is firmly clamped and the sanding roller is properly mounted.
- Avoid direct contact with the skin to prevent irritation.
- Use only for the intended applications to minimise risks.
- Dispose of the product according to the instructions for hazardous waste.
