### Safety Instructions:

- May cause injury if used improperly. The product could be dangerous if used incorrectly or damaged.
- Wear safety goggles and gloves to protect eyes and skin during use. Use suitable personal protective equipment during application to avoid injury.
- Only use the backing pad with machines suitable for the product. Ensure that the backing pad is mounted correctly to prevent it from slipping during use.
- Do not use in an enclosed space if dust release is possible.
- Ensure that the plate is correctly secured to prevent accidents.
- Keep the work surface clean and free of obstacles to prevent tripping accidents.
- Store the product in a dry place to prevent corrosion of the materials.
