Article Numbers: 723468, 723467, 723464, 723463, 723462, 723461

Safety Instructions:

- Only use the drill bit with a suitable drill motor and in accordance with the operating instructions.
- Wear safety goggles, hearing protection and gloves to protect your eyes, hearing and hands.
- Ensure adequate cooling (wet cutting) and ventilation to minimise overheating and dust formation.
- Keep a safe distance from other people and avoid direct contact while drilling is in progress.
- The product may only be used by trained specialists.
- Suitable for use with a drill motor with a maximum output of 3 kW.
- Ensure that the core bit is correctly mounted and secured and check for damage before use.
- Only use for wet cutting to minimise the risk of dust and overheating.
- Ensure stability and secure the work area.
- Only use the product in accordance with the manufacturer's instructions and ensure proper handling.
- Suitable for professional users - not suitable for unsupervised use by children.
