Please note the technical data of the products!

Article Numbers: 723477, 723476, 723475, 723474

Safety Instructions:

- Attach the sanding block disc securely to the machine to avoid injury and check the attachment before use.
- Wear suitable personal protective equipment such as safety goggles, hearing protection and a dust mask when sanding.
- Avoid skin contact with the abrasive dust and the sanding block disc.
- Ensure that the machine is correctly installed with a suitable reducing ring and that the product is suitable for the intended dry sanding.
- Keep the work surface clean and free from interference to avoid injury.
- Dispose of the product in accordance with local regulations for waste and materials.
- Keep children and pets away during operation.
- Take care not to overload the sanding block disc to avoid overheating and breakage.
- Choking hazard due to small parts, especially if handled incorrectly.
- Risk of injury due to improper use of the sanding tool.
- Use only for the intended materials and applications to avoid risks.
- Refer to safety-relevant instructions in the operating instructions.
