

Product Safety Information

Grinding support wheel Ø200xW25x32mm 80 SCg TYROLIT

Manufacturer/Responsible Person: Tyrolit GmbH, August-Rasch-Straße 12, 82216 Maisach, Deutschland

E-Mail: sascha.neubacher@tyrolit.com

Please note the technical data of the products!

Article Numbers: 723482, 723481, 723479, 723478

Safety Instructions:

- Choking hazard due to small parts, especially when handling the reducing ring set. Keep children away from the product to avoid injury.
- Only use the product with suitable and professional sanding machines and observe the respective operating instructions.
- Wear safety goggles during the sanding process to avoid eye injuries from flying sparks.
- Use suitable personal protective equipment (PPE), especially in case of dust formation. Wear a respirator to avoid inhalable particles. Wear protective gloves to prevent skin contact with sanding dust.
- Do not operate the grinding disc above the recommended maximum speed limit to avoid breakage.
- Wear suitable personal protective equipment when using the bench grinding disc, e.g. safety goggles, hearing protection. Only operate the sanding block disc at the recommended speed to avoid overheating. Check regularly for damage and replace if worn.
- Take particular care when handling strong and sharp edges on the workpiece. Keep hands and skin away from sharp edges and splinters.
- Risk of suffocation due to dust formation during sanding, therefore wear protective masks.
