Article Numbers: 723533, 723525, 723524, 723522, 723521, 723519, 723518, 723515, 723507, 723506, 723505, 723503, 723502, 723500, 723499

Safety Instructions:

- Wear suitable personal protective equipment, including safety goggles and gloves, to prevent injury to eyes and hands.
- The abrasive file is designed for machining carbide-tipped tools; use it only for its intended purpose, not for other materials, in order to avoid hazards.
- Keep the sanding file out of the reach of children and inexperienced users.
- Choking hazard due to small parts, product not suitable for children under 3 years.
- Do not use near flammable materials to avoid sparking and fire hazard.
- Keep the work surface clean and tidy and ensure that the sanding file is used on a stable surface to prevent accidents caused by slipping or wobbling.
- Make sure that the sanding file does not overheat to avoid damage and breakage.
- Use protective equipment such as dust masks, as silicon carbide dust can be released during grinding and is harmful to health.
- Avoid direct skin contact with silicon carbide to prevent skin irritation.
- Please wear safety goggles to protect your eyes from flying sparks and any flying particles.
- Wear suitable protective gloves to avoid skin injuries and inhalation of fine dust.
- Do not use the sanding file near wet surfaces to minimise the risk of slipping by keeping a safe distance.
- Before use, ensure that the product is in perfect condition and is not damaged.
- Seek medical assistance immediately in the event of injuries.
- Wear eye protection to avoid injury from falling chips or particles.
