Please note the technical data of the products!

Article Numbers: 723673, 723672, 723671, 723669, 723667, 723666, 723665

Safety Instructions:

- Wear suitable personal protective equipment, including safety goggles and gloves, to avoid injury from splinters, dust and sharp edges.
- Use for the intended purpose: Hole drilling in tiles, granite and marble.
- Set the drill to a suitable speed to prevent the drill bit from overheating.
- Check the drill and accessories for damage before use and ensure that everything is correctly assembled.
- Ensure that the material to be processed is securely fixed to prevent slipping.
- Not suitable for use by children, keep the drilling tool out of the reach of children.
- Use suitable respiratory protective equipment to avoid inhalation of dust.
- Use hearing protection to protect your hearing from loud drilling noises.
- Take care when handling the diamond core bit to avoid injury from hot surfaces and sharp edges.
- Read the manufacturer's operating instructions and product information carefully before use.
- Observe safety regulations regarding noise and dust generation.
