Safety Instructions:

- Use suitable personal protective equipment such as respiratory protection, safety goggles and hearing protection during processing.
- Keep the working environment well ventilated to prevent the accumulation of dust.
- Avoid contact with skin and eyes; in case of contact, rinse thoroughly with water and consult a doctor. Wear suitable protective gloves and clothing.
- Ensure that the sanding material is checked for damage before use.
- Store the product in a cool, dry place, away from flammable materials.
- Ensure safe handling during use and prevent injuries from sharp edges or splinters, especially when working with metal.
- Safety hazard due to fine sanding dust particles; respiratory masks are recommended.
- Please wear safety goggles to avoid eye injuries from sparks or grinding dust.
- Use only by trained personnel. Improper use can lead to serious injuries.
- Keep the abrasive material away from sources of ignition as it may be flammable.
- Ensure that the abrasive cloth roll is mounted correctly to ensure safe use.
- The product should be used in accordance with the applicable safety regulations and instructions.
