

Product Safety Information

Grinding sleeve D45xW30mm K.80 corundum A max.speed.12700min⁻¹

Manufacturer/Responsible Person: August Rüggeberg GmbH&Co.; KG Pferd - Werkzeuge, Hauptstr. 13, 51709 Marienheide, Deutschland
E-Mail: info@pferd.com

Please note the technical data of the products!

Article Numbers: 702029, 702028, 702027, 702026, 702024, 702023, 702022, 702021, 702020, 702019, 702017, 702016, 702015, 702014, 702013, 702012, 702010, 702009, 702008

Safety Instructions:

- Max. Note max. speeds: 12700, 19000, 23000, 26000, 36000, 44000 min⁻¹, exceeding these speeds can cause overheating and accidents.
- Use suitable personal protective equipment (safety goggles, respiratory protection, hearing protection) to prevent eye and respiratory damage caused by dust.
- Use of suitable lubricants such as grinding oil or grease is recommended, but observe safety measures to avoid the risk of slipping and fire.
- Only use the product for its intended purpose and with suitable machines to avoid injury or damage.
- Do not use the product without a rubber carrier and check for visible damage before use.
- Keep out of the reach of children and not suitable for persons under 18 years of age without supervision.
- Danger due to high speeds, improper handling can cause injuries.
- Risk of suffocation from small parts and dust if used incorrectly.
- Do not use corroded or damaged parts, risk of damage or injury.
- Do not use in the vicinity of flammable materials and be aware of sparks when working with metal.
- Wear protective gloves to avoid skin irritation caused by dust.
- Observe suitable safety precautions and work instructions to minimise hazards.
