Safety Instructions:

- Before use, check that the locking pin and locking ring are correctly fitted to prevent accidents.
- Always wear suitable protective equipment such as safety goggles and gloves to avoid injury.
- No unsuitable persons or materials in the vicinity of the work area during application.
- The product is not suitable for children, especially children under the age of 14, to avoid the risk of injury.
- Keep the product out of the reach of children and unauthorised persons.
- Be aware of the risk of suffocation due to improper handling.
- Avoid risk of injury due to improper insertion or removal.
- Read and observe the operating instructions before use.
- Do not touch rotating parts during operation.
- Only use the product in accordance with the specified conditions of use and manufacturer's instructions.
- Check for product-related damage before use.
- Do not use if the tool is damaged.
- Do not use in a damp environment to avoid corrosion.
- For specific use with pneumatic or electric tools, observe the manufacturer's safety regulations.
