Safety Instructions:

- Only use for the intended purpose and take safety precautions.
- Read the operating instructions before use.
- Wear safety goggles to avoid eye injuries from flying objects or high force applications.
- Store safely in a dry and cool place, out of the reach of children, to avoid the risk of choking on small parts.
- Do not store near extreme temperatures, humid environments or power sources.
- Check tools for damage before use and do not use if defective.
- Use suitable personal protective equipment, including gloves.
- Only suitable for professional users or trained persons; prohibit use by children.
- Discontinue use immediately in the event of overloading.
- Ensure a safe and stable surface to avoid accidents.
- There is a risk of injury if handled incorrectly.
