Safety Instructions:

- Use suitable tools for the intended purpose to prevent improper use.
- Ensure that the product is kept out of the reach of children, as there is a risk of injury and suffocation.
- Wear personal protective equipment such as gloves and safety goggles to avoid injury.
- Check the tool regularly for damage and defects and only use it if it is in perfect condition.
- If handled incorrectly, there is a risk of injury due to crushing or cuts; caution is advised.
- Use only by persons with handling knowledge; follow the instructions, especially for socket spanner inserts.
- Only use the product for its intended purpose and always follow the instructions.
- Store safely in a dry place inaccessible to children to protect against improper use and corrosion.
- Caution: Use on slippery surfaces can lead to accidents.
- Product is made of chrome vanadium steel, therefore protect from moisture to prevent rusting.
- Not suitable for children under 12 years of age; small parts may pose a choking hazard.
