Safety Instructions:

- Caution: Product may cause injury if used improperly.
- Only use the product in accordance with the manufacturer's instructions to avoid injury.
- Avoid use with excessive force or pressure to prevent damage and breakage.
- Use only for the intended purpose to avoid injury.
- Keep the product away from children and store it out of their reach.
- Wear suitable personal protective equipment (e.g. gloves, safety goggles, protective clothing) during work to prevent injuries.
- Before use, ensure that the product is in good condition and has no defects.
- Store the product in a dry, safe place to prevent rust and other damage.
- Keep the workplace clean and free of dirt and obstacles to avoid accidents.
- Avoid using the product in wet or damp environments to prevent electrical risks.
- Before use, ensure that the spanner is suitable for the corresponding screw size.
- Do not use in the vicinity of children as there is a risk of injury.
- Use suitable protective equipment (e.g. gloves, safety goggles) to avoid injury.
- Check the tool regularly for damage or wear and replace it if necessary.
- Do not jeopardise your own safety through improper use.
