Safety Instructions:

- Observe the safety information and instructions for safe use and only use the product in accordance with the enclosed instructions.
- The product is not a toy and should be kept away from children. Keep out of the reach of children to avoid injury.
- To avoid accidents, do not use the product near water or in damp environments. Use in dry, clean environments is recommended.
- Always wear suitable protective equipment, such as safety goggles and gloves, to avoid injury. The use of safety goggles during application is strongly recommended.
- Ensure that the ratchet ring spanner is set to the correct size to prevent slipping and possible injury.
- Keep the working environment clean to minimise the risk of accidents.
- Avoid contact with moving parts during use to prevent injury.
- Store the product in a dry and safe place to prevent rusting and damage.
- Check the ratchet ring spanner for cracks or breaks before use to prevent damage and injury.
- Do not press the ratchet function while the spanner is in a fixed position to avoid breakage.
