Safety Instructions:

- Product handling only by qualified specialists or trained persons.
- Avoid contact with metal objects to prevent short circuits.
- Always wear safety goggles and protective gloves to avoid injury.
- Do not use near liquids such as water.
- Ensure that fasteners are properly secured before using the tool.
- Only use the socket spanner insert with a suitable tool and keep it suitable for the intended use.
- Protect the socket spanner insert from impact and moisture and store in a dry place.
- Keep the socket spanner insert out of the reach of children.
- Improper use can cause the socket to break; prevent breakage and damage by using the correct tool and drive.
- If the tool is damaged, take it out of use immediately to avoid injury.
- Only use the tool for its intended purpose.
- Always secure the insert properly to prevent it from falling.
- Keep the work area free of obstacles to minimise the risk of tripping.
- Store the socket spanner insert in a safe and dry place when not in use.
- Dispose of damaged tools properly.
