Safety Instructions:

- Read the operating instructions before use to avoid damage or injury.
- Use only for the intended purpose to avoid damage.
- Ensure that the torque spanner is calibrated before each use.
- Protect the torque spanner from impact, extreme heat and moisture.
- Do not use the torque spanner in damp environments to avoid electrical hazards.
- Ensure regular inspection for damage and wear.
- Wear appropriate personal protective equipment such as gloves to avoid injury.
- Keep the torque spanner away from children to prevent accidental use.
- Store the tool in a dry and safe place after use.
- Improper use may result in injury; always use the correct settings.
- Only trained personnel should use the torque spanner.
- Do not connect any electrical devices unless expressly intended.
- Do not continue to use damaged tools and endeavour to repair them professionally.
- Keep small parts out of the reach of children to avoid the risk of choking.
