Safety Instructions:

- Always wear suitable protective equipment such as gloves and safety goggles to avoid injury.
- Keep the product out of the reach of children to prevent improper use.
- Not suitable for children under 12 years of age.
- The product is intended for professional use and should only be used by qualified persons.
- Ensure that the key is in perfect condition before using it and check regularly for damage.
- Only use the impact ring spanner or tool for its intended purpose to avoid injury or damage.
- Avoid applying excessive force to prevent breakage or deformation.
- Follow the manufacturer's instructions to ensure correct and safe use.
- Keep the work area clean, well lit and free of unauthorised persons.
- Avoid contact of the product with water to prevent rust formation.
- Safe storage: Store in a dry, salt-free place.
- Do not use near sources of heat or naked flames.
