Safety Instructions:

- Wear suitable protective equipment such as gloves and safety goggles to avoid injury.
- Check the tool for damage before each use to avoid the risk of material failure.
- Only use the open-jaw spanner for its intended purpose and in accordance with the manufacturer's instructions.
- Keep children and unauthorised persons away from the tool to avoid injury.
- Make sure that the spanner is firmly seated and adjust the size to prevent slipping.
- Do not leave the open-jaw spanner unattended, especially in the vicinity of children.
- Avoid using excessive force to prevent damage to tools and materials.
- Keep the work area clean and free of obstacles to avoid accidents.
- Carry out regular maintenance and inspections to ensure the safety and functionality of the tool.
