Safety Instructions:

- Risk of injury due to improper use, especially if the tool slips. Ensure suitable tools and proper use in accordance with the manufacturer's instructions.
- Wear safety goggles and gloves to avoid injury from falling parts or sharp tools.
- Do not use the tool on slippery or unstable surfaces and work in dry conditions to prevent slipping.
- Keep tools out of the reach of children and do not use on electrical appliances to avoid the risk of electric shock.
- Before use, check the adjustable spanner for damage and ensure that it is suitable for the respective application.
- Do not use on tight-fitting parts and do not use excessive force to avoid slipping or breakage.
- Read the operating instructions carefully before use and set the correct settings for the application.
