**Article Numbers:** 718789, 718787, 718786, 718785, 718784, 718783

### **Safety Instructions:**

- Not suitable for children to avoid risk of injury. Keep out of the reach of children.
- Carefully read and follow the instructions for use before use to avoid injury.
- Wear suitable protective equipment, especially safety goggles when using the rolling fork spanner, to prevent eye injuries.
- Do not use near water to avoid short circuits and electric shocks.
- Ensure that the spanner is correctly positioned on the bolt or nut and correctly adjusted to prevent slipping, damage and injury.
- Do not use the spanner beyond the recommended maximum opening width (44 mm) to avoid damage and injury.
- Be careful when using with high torque to prevent sudden loosening and injury.
- If the product is damaged, stop using it immediately and check its functionality regularly to ensure safety.
- Do not use the tool with excessive force or excessive torque to avoid damage and to ensure safety.
