Safety Instructions:

- Please use protective clothing to avoid injury from sharp edges and broken parts.
- Keep the pipe cutter out of the reach of children to avoid the risk of injury.
- Avoid contact with moving parts during the cutting process to prevent injury.
- Ensure that the pipe cutter is checked for wear and damage before each use.
- Only use the pipe cutter for the intended materials (copper, brass, aluminium, thin-walled steel pipes).
- Ensure safe use of the product in accordance with the instructions.
- Use recommended by adults only.
- Warning: Sharp edges can cause injuries.
- Not suitable for use in extreme conditions.
- Follow the instructions for safe disposal of the product.
