Safety Instructions:

- Choking hazard due to small parts. Keep out of the reach of children to minimise the risk of suffocation or injury.
- Beware of injuries due to improper use. Not suitable for use by children. Correct handling and use as a prerequisite for safety.
- Wear suitable protective clothing and equipment when working with impact screwdrivers to avoid injury. Beware of the risk of electric shock.
- Keep tools away from children. Use suitable and appropriate tools to avoid injury.
- Wear safety goggles to avoid eye injuries.
- Use of suitable protective equipment during use.
- Take care when handling sharp tools.
- Use only for its intended purpose. Only use safely in accordance with the instructions provided.
- Provide safety information in a language easily understood by consumers. Safety information and instructions for use are not suitable for children.
- After use, store the tools in a safe place, away from children.
- Ensure that the product is used in accordance with the manufacturer's instructions to avoid accidents.
- Check regularly for damage; do not use damaged parts to avoid safety risks.
