Safety Instructions:

- Include safety warnings and instructions for safe use.
- Before use, ensure that all interfaces and connections are correctly installed.
- Point out safe handling when cutting materials such as steel and stainless steel.
- Wear safety goggles and gloves to avoid injury.
- Do not use or store near children.
- Only use the cutting wheel for its intended purpose (cutting aluminium and copper pipes).
- Check the integrity of the cutting wheel for cracks or damage before use.
- Follow all installation and operating instructions carefully to minimise safety risks.
