Safety Instructions:

- Only use the pipe wrench for its intended purpose and in accordance with the manufacturer's instructions.
- Use by adults only; the product is not suitable for children and should be kept out of their reach.
- Make sure that children cannot play with the pliers, as they are not suitable for children under the age of 3 and small parts could pose a choking hazard.
- Check for damage before use and ensure that the pipe wrench is in perfect condition.
- Wear suitable protective gloves and safety goggles to prevent injuries from slipping, crushing hazards, material tears or splinters.
- Use the pipe wrench at normal pressure to prevent damage.
- Use both hands during use to avoid slipping.
- Clean the pliers after use and store them in a safe place.
- The pliers are made of aluminium; avoid extreme temperatures to prevent structural damage.
