Safety Instructions:

- Only use the product in accordance with the handling and safety instructions provided in order to avoid damage or danger.
- Wear safety goggles and gloves to avoid injuries, especially from ejected parts and cuts.
- Ensure that all parts of the pliers are intact and functional. Remove any residues that could impair the function.
- Do not use near electrical components or cables to avoid electric shocks.
- Keep small parts away from children and keep the pliers out of the reach of children to avoid the risk of choking and accidents.
- Secure the pliers to a stable object to prevent injury from slipping.
- Ensure that the clamping force of the pliers is set correctly to avoid overstressing.
- Use with care to avoid injury due to incorrect use.
