Safety Instructions:

- VDE-insulated up to 1000 V. Observe the relevant safety precautions during use.
- Take care not to use the pliers on live parts if they are damaged.
- The pliers are only suitable for professional use; do not keep them accessible to children.
- Always keep products out of the reach of children to avoid injury from improper use.
- Avoid using the pliers in damp environments to minimise the risk of electric shock.
- Read the operating instructions before use to ensure that the product is used correctly.
- Wear protective gloves during use to avoid cutting injuries.
- Before use, ensure that the pliers are suitable for the intended application.
- Risk of suffocation due to improper use of the pliers.
- Risk of electric shock due to improper handling of electrically insulated tools.
