Safety Instructions:

- The cutting edges are sharp. Risk of injury if handled incorrectly. Therefore, use cutting tools safely and ensure that you keep your fingers away from the cutting surface.
- Not suitable for children under 3 years. Choking hazard due to small parts.
- Use only by adults or under adult supervision. Keep out of the reach of children to avoid injury.
- Use protective clothing and safety goggles to avoid injuries, especially eye injuries.
- Before use, ensure that the side cutter is in perfect condition.
- Do not use the product to treat electrical components in order to avoid the risk of electric shock.
- Ensure that the tool is used on a stable and safe surface.
- Store the tool safely after use to avoid accidental injury.
- Work carefully when cutting to avoid cutting injuries.
