Safety Instructions:

- Use only in accordance with the instructions and safety information.
- Keep a safe distance from moving parts.
- Do not use on compressed air pipes or pressurised objects.
- Do not use pliers for electrical purposes - risk of electric shock.
- Wear suitable protective equipment when working with the pliers to prevent eye and hand injuries.
- Keep out of reach of children - not suitable for children under 14 years of age due to sharp edges and choking hazard from small parts.
- Safety warning: Read the operating instructions before use.
- If used incorrectly, there is a risk of injury from crushing or cuts.
- The pliers should only be used for the intended applications to avoid injury.
- Secure the pliers before use to prevent uncontrolled sliding.
