### Safety Instructions:

- Sharp blades: Risk of injury if handled incorrectly. Careful use necessary.
- Product not suitable for children; risk of injury and choking, supervision required.
- Wear safety goggles during use to avoid eye injuries.
- Only use the product on a firm surface to ensure stability.
- Avoid contact with other parts of the body while cutting to prevent injuries.
- Do not use near liquids to avoid electric shocks.
- Store the product in a dry, safe place out of the reach of children.
- Do not use in damp conditions to prevent electrical accidents.
- Check that the product is intact before each use. Do not use if there are any signs of damage.
- Check the condition of the cutting edges regularly to ensure that they are sharp and intact.
- To avoid electrical accidents, do not use the pliers to work on live parts.
- Use only for the intended purpose and follow the operating instructions to prevent accidents.
