Article Numbers: 712930, 712370, 712367, 712366, 712362, 712360, 712359, 712348

Safety Instructions:

- Do not place near electric fields or water to avoid the risk of electric shock.
- Keep away from children, especially under the age of 3, to avoid the risk of suffocation from small parts and injury from sharp tips.
- Check the product for functionality and integrity before use and dispose of damaged products properly.
- Handle with care and wear protective gloves to avoid injury from sharp points.
- The ESD coating should not be damaged in order to ensure electrostatic discharge capability.
- The tweezers are suitable for electrostatic applications; take care when using them with sensitive electronic devices due to their anti-magnetic properties.
- Protect from direct sunlight and moisture to keep the product durable.
- Use under supervision recommended.
